SUBJECT: SPECIAL SELF-HELP FY 2008 ANNUAL REPORT

STATUS OF SSH FY 2007  
-----

1. All projects prior to FY 2007 have been liquidated and closed out.

2. Twelve projects were selected with the \$100,000 allocated to Embassy Kinshasa for FY 2007. The funds were obligated October 23, 2007. Seven of the twelve projects have been completed and Post does not anticipate any problems closing out the remaining five projects.

Agreement Number: SSH 07-660-01 Kasai Oriental  
Project Name: Lycee Okako Awoto  
Amount: \$7,500  
Description: Lycee Okako Awoto, a girls' secondary school, was partially destroyed during the pillages of the civil war. Funds rebuilt three classrooms.  
Beneficiaries: Approximately 1,200 school girls  
Local Input: Labor involved in rebuilding classrooms  
Status: Project completed and all funds accounted for.

Agreement Number: SSH 07-660-02 Kinshasa  
Project Name: Inst. & E.P. Mayele Na Bomoi I  
Amount: \$10,000  
Description: A primary/secondary school with a student population of over 1,200 requested clean water source. The location is one of the poorest in Kinshasa, and serves three low income districts. Funds provided benches and a clean water supply.  
Beneficiaries: Approximately 1,200 students  
Local Input: They completed a ten stall bathroom facility this year worth \$6,000  
Status: Construction of clean water supply completed in September. Benches have been paid for and should be delivered very soon.  
Grantee submitted receipts for \$5,295. Post is waiting for receipt for \$4,705.

Agreement Number: SSH 07-660-03 Katanga  
Project Name: Mukabe-Kasari Puits  
Amount: \$10,000  
Description: Provide potable water for the community of Mukabe-Kasari, near Kolwezi by digging a well and providing holding tanks. Water will also be used in community medical center/hospital reducing the overall number of water-borne diseases in the community.  
Beneficiaries: Approximately 13,700 persons  
Local Input: \$3,000 towards the project  
Status: All funds withdrawn and Post is waiting for receipts for \$10,000.

Agreement Number: SSH 07-660-04 Kinshasa  
Project Name: Hope Clinic  
Amount: \$11,000  
Description: Dr. Tudiabioko runs a very active clinic located in one of the impoverished districts of Kinshasa. This group is doing a fantastic job with the basic resources they have. Their newest addition, a nine bed maternity ward, is already filled and the staff

has resorted to putting two mothers per bed. Funds purchased beds and a generator for the clinic.  
Beneficiaries: Approximately 14,000  
Local Input: The group owns and maintains the property and pays staff.  
Status: Project completed and all funds accounted for.

Agreement Number: SSH 07-660-05 Katanga  
Project Name: Club UNESCO Ntcheko  
Amount: \$4,000  
Description: The Club educates women and girls in literacy, HIV/AIDS, nutrition, hygiene, family planning, and basic money management. Funds purchased sewing machines to assist in teaching them a skill.  
Beneficiaries: About 500 women and young mothers  
Local Input: The Club pays salaries of staff, and women provide their own supplies.  
Status: All funds withdrawn and Post is waiting for receipts for \$4,000.

Agreement Number: SSH 07-660-06 Equateur  
Project Name: Forum des Parlementaires pour le Developpement en Milieu Rural  
Amount: \$8,000  
Description: This fifty year old health-center, provides medical aid for twenty surrounding villages. Funds purchased medical equipment, roofing tin and a water tank.  
Beneficiaries: The clinic serves a community of about 100,000 people.  
Local Input: The community provided labor and boards for the roof.

Status: Project completed and all funds accounted for.  
Agreement Number: SSH 07-660-07 Kasai Oriental  
Project Name: Ameka Congo, ASBL  
Amount: \$7,500  
Description: Ameka is assisting a village farmers' cooperative by providing tools to harvest and process latex. These farmers have 58 hectares of old trees and 75 hectares of new trees. Funds purchased basic tools necessary for maintaining and harvesting latex from the trees. The cooperative will reinvest some of the rubber revenue to extend the project to 73 additional villages.  
Beneficiaries: 100 farmers presently  
Local Input: Labor involved in maintaining plantations and harvesting latex  
Status: Project completed and all funds accounted for.

Agreement Number: SSH 07-660-08 Orientale  
Project Name: Centre Universitaire de Mahagi  
Amount: \$13,000  
Description: The University of Mahagi offers degrees in arts and letters, law, psychology, and education. This small university has many needs; one of the most pressing is a library. Funds will purchase books pertaining to the four schools, in addition to chairs, tables and bookshelves for the library.  
Beneficiaries: Sixty-four students  
Local Input: They maintain the University  
Status: First advance for furniture has been completed and receipts for \$3,585 liquidated. Grantee has withdrawn final advance to purchase books. Distance and communications delayed project but, Post is confident grantee will submit remaining receipts for \$9,415 soon.

Agreement Number: SSH 07-660-09 Bandundu  
Project Name: Developpement Durable et Communautaire (DDC)  
Amount: \$9,500  
Description: DDC used funds to refurbish a 35 meter metal bridge which is located in a highly agricultural area. The bridge was originally surfaced with boards, which had rotted away.  
Beneficiaries: 10,000+ residents  
Local Input: DDC covered all the labor involved in refurbishing the bridge.  
Status: Project completed and all funds accounted for.

Agreement Number: SSH 07-660-10 Kinshasa  
Project Name: Clinique Kimbangu  
Amount: \$5,500  
Description: The Clinic used funds to construct a classroom to train mothers, family members, and community caregivers in nutrition, food

preparation and hygiene.

Beneficiaries: The clinic treats about 6,000 people annually.

Local Input: NGO owns clinic, maintains it and pays staff.

Status: Project completed and all funds accounted for.

Agreement Number: SSH 07-660-11 Bandundu

Project Name: Association d'Initiative Rural Pour le Developpement (AIRD)

Amount: \$10,000

Description: AIRD promotes the cultivation of soybeans to increase protein intake where malnutrition is severe. Funds purchased a machine which makes dehydrated soy protein. The machine will be used by numerous villages.

Beneficiaries: The area has a population of one million inhabitants.

Local Input: Labor, fuel, transportation of equipment, and generator.

Status: Soya dehydrator has been purchased and receipts for \$8,750 submitted but machine has not been delivered. Post requested machine be delivered before grantee withdraws final advance of \$1,250.

Agreement Number: SSH 07-660-12 Kinshasa

Project Name: E.P. Hebrone

Amount: \$4,000

Description: The school requested funds to provide a source of drinking water for the students. Funds purchased two 1000 liter water containers to store rain water from the roof and purchased materials to construct an enclosed room to protect the tanks.

Beneficiaries: Three hundred school girls and boys.

Local Input: Labor

Status: Project completed well and all funds accounted for.

#### STATUS OF SSH FY 2008

13. Six projects from four different regions were selected with the \$40,000 allocated to Embassy Kinshasa. A Special Self Help signing ceremony was held November 25, 2008 to obligate all the funds.

14. Status of the 6 projects: Contracts signed and grantees working to provide pro-formas.

Agreement Number: SSH 08-660-01

Project Name: Union Baptiste Suedoise

Amount: \$7,500

Description: Health zone of Nioki requests funds to rehabilitate seven wells and construct ten new sources of clean water for the population of Noki. Last year community of Noki suffered from a cholera epidemic which killed approximately 2000 people.

Beneficiaries: 80% of the city of Nioki (approximately 100,748 people)

Local Input: Sand and gravel for construction

Agreement Number: SSH 08-660-02

Project Name: Paroisse St Pierre Claver de Kilengi

Amount: \$8,600

Description: Assist the population upgrade their rice production/marketing by purchasing a rice shelling machine.

Beneficiaries: Population of Kilengi (20,500 families)

Local Input: They provide labor and finances to operate the machine.
